

## Qualifiers for 22nd USCCC Finals (15 or 17 player):

The 22nd US Correspondence Chess Championship (USCCC) will be a 15 or 17 player event, currently **scheduled to start mid-2020**. Qualifications for this event will be determined by players' results from any of 4 types of events:

- (a) prior USCCC Finals,
- (b) the annual USA Invitational tournaments,
- (c) the annual Bringing in the New Year (BITNY) tournaments, and
- (d) the USCF Absolute tournament.

Details for these qualifications, including who currently has obtained such a qualification, are listed below.

In all cases, tiebreaking is ignored for the purpose of determining a USCCC qualification, even if tiebreaking was used in the event itself.

The word "completed" below always refers to when the relevant top positions in the event are sufficiently known, even if there are still ongoing games in the event.

### KEY to the list below

**Name in bold** = This qualification takes precedence before any duplicate that may follow. Given that one can hold more than one qualification, this precedence means another player may obtain that listed qualification instead.

**A name not in bold** = A duplicate qualification result, listed just for the sake of accuracy but is ignored as a qualification. When appropriate, another person obtains that qualification instead.
